# DEEP EXFOLIATING FACE MITT

Use the Dermasuri Deep Exfoliating Face Mitt as a part of your daily skin care routine to buff, cleanse and exfoliate daily. This deep cleansing scrub removes dry skin instantly while massaging and stimulating skin. Use on face, neck or shoulders to clear away dead skin, diminish the visibility of pores, exfoliate your skin and reduce blackheads.

Our mitt's feature 3 finger slots but if you have smaller hands you can easily fit in 4 fingers to ensure they don't slip. For extra support, simply press your thumb against the outside of the mitt when using. This unique fit style ensures you have a large surface area with rounded tip to ensure all over cleansing.
