Celebrate Your Skin!
15x Antioxidant Rich Hydrating Silicone Bronzer

devoted
creations.®
TANNING SKINCARE

FEATURES:

- Perfectly Hand Crafted DHA Bronzing Formula
- Anti-Orange Technology
- Provides targeted anti-aging benefits
- Skin Tightening & Toning Agents
- Tattoo & Color fade protection formula
- 15 Antioxidant Hydrating Ingredients
- Skin Primer to mask imperfections
- Adore Couture fragrance

BENEFITS:

- Formulated with multiple accelerators that work to target melanin production to deliver fast, dark tanning results
- Perfect levels of DHA and Natural bronzers deliver a flawless bronzed result
- 15x Antioxidant & Hydration blend helps to fight free radical damage as well as keep the skin soft, and supple.
- Blue Tansy – Anti Orange ingredients to counteract any orange tones in the skin to aid in developing the most natural, bronzed color
- Liquid Glass works as a primer to mask tiny imperfections in the skin
- Tan extending and tattoo protecting blend
- BodyFit – Anticellulite and skin tightening and toning agent
- Renovage – Anti-aging complex that reduces the appearance of fine lines and wrinkles
- FreshTek – To leave skin with no after tan odor
