

GlamFactor™

Collagen Producing Instant Bronze Serum

FEATURES:

- Instant Bronzing Serum hides tiny imperfections
- Can be used as a facial tanning accelerator or an at home bronzing facial serum
- Revolutionary Trylagen is a break through skin plumper
- New Advanced Matrixyl Synthe 6
- Non Comedogenic
- Fragrance Free

BENEFITS:

- Advanced Matrixyl Synthe 6 - Powerful anti-aging peptide that reduces the appearance of fine lines and wrinkles for long-lasting results
- Trylagen - helps boost the appearance of collagen and helps protect collagen from degenerating. Skin appears firmer, smoother and wrinkles appear to 'fill out' becoming less and less visible
- Delicate facial tanning optimizers and accelerators to produce long lasting, natural looking results
- Light weight instant bronze concentrate to give skin a quick, streak free sun kissed glow
- Noncomedogenic - will not clog pores
- Fragrance free for sensitive skin

KEY SELLING STATEMENT

GlamFactor™ is a girl's best friend! This bronzing facial serum is free of self-tanners and fragrance making it perfect for every skin type. The revolutionary lightweight formula will dramatically darken facial skin without the commitment of DHA and gently washes off when you desire. Packed with protein, GlamFactor contains the amazing skin care ingredient Trylagen, which helps to boost collagen production, fill out wrinkles and plump skin for noticeable results in just one week. Advanced Matrixyl Synthe 6 will work to fight the formation of fine lines for longer lasting results. Can be used alone as a facial bronzing serum, under make up as a facial primer or in the tanning bed as a gentle facial tanning accelerator.

WHO IT'S DESIGNED FOR

Anyone who wants a quality facial skin care product
Anyone who wants a boost in color for the day without commitment
Multiuse – Facial tanner, daily facial bronzer or makeup primer
