

(NEW!) DOUBLE DARK BLACK CHOCOLATE™

Sinfully Dark Double-Dip Soufflé

Everything your dreams are made of and more.

This is it, the lotion that you will never want to live without. Baked with our darkest bronzers, we doubled the Black Chocolate formula to 400X allowing you to transcend your darkest tan imaginable. All of the lush butters have been doubled for an opulent experience so decadent it's *almost* sinful. A soufflé of silicones cover the skin as if they were a cloud, giving new meaning to "softness".
