

Color Perfecting Complex®
Ultra Dark Clear Instant Sunless Solution
Step 2

Professional

California Tan Sunless®

Line Story

Experience The Sexy Side of Sunless® with Color Perfecting Complex®. This scientifically formulated solution develops color like never before by flawlessly matching every skin tone. One solution. All skin tones. Perfect results.

Product Story

- The **Natural Colorant Blend** develops bronze color that flawlessly matches every skin tone
- Enjoy a radiant complexion longer with **Aloe Vera** and **Triple Moisture Sensation**, a hydrating combination of moisturizing agents that restore and soothe skin resulting in long lasting, uniform color
- **Color Match™ Blend** is invisible upon application but develops over time, and is unique as it enhances long-term color

Inspiration/Rationale

- Answers the demand for a darker, longer-lasting sunless tan that is cosmetic bronzer free
- To offer one solution that is compatible with all skin tones
- A solution that utilizes the beauty trend of CC Creams

Technology

Color Perfecting Complex®
Natural Colorant Blend

Anti-oxidant rich blend of seven natural colorants that enhances and darkens skin's organic color and conceals imperfections

Triple Moisture Sensation

Blend of ingredients that lock in moisture triggering a hydration that reaches deep into skin

Bronzextend® Blend

DHA and Erythrulose provides skin with a gorgeous, bronze hue

Color Match™ Blend

Invisible upon application but develops over time, and is unique as it enhances long-term color

Aloe Vera

Soothes, heals and moisturizes skin for longer-lasting color

Witch Hazel

Helps cleanse and tighten skin, leaving skin feeling fresh and rejuvenated

Breakthrough Fragrance Technology

Eliminates odors at the source, replacing mal odor with the Fresh & Sunny fragrance
