BENEFITS:

- Daringly Dark CC Crème, DHA Facial-Bronzing accelerator for longer lasting, color correcting results.
- Electric Daisy – Flower derived to promote skin firmness, perfect skin contour, shrink pore size, and combat the signs of aging.
- Niacinamide™ – Contains high levels of B3 to improve skin elasticity, fight breakouts, even out skin tones and enhance skin's natural barrier to lock in moisture.
- Trylagen™ - helps boost the appearance of collagen and helps protect collagen from degenerating. Skin appears firmer, smoother and wrinkles appear to 'fill out' becoming less and less visible
- Lightweight and Non Comedogenic - will not clog pores.
- Fragrance free for sensitive skin.

KEY SELLING STATEMENT

Glammed Glow™ is your new secret weapon! This bronzing facial serum is Non Comedogenic and Fragrance Free making it perfect for every skin type. The revolutionary lightweight formula will dramatically darken facial skin with the light boost of a sunless tanner. Packed with protein, Glammed Glow™ contains the amazing skin care ingredient Trylagen™, which helps to boost collagen production, fill out wrinkles and plump skin for noticeable results in just one week. Niacinamide™ and Electric Daisy work together to perfect skin contour and even out skin's tone. Can be used alone as a sunless facial bronzing serum or in the tanning bed as a DHA enhanced facial tanning accelerator.
