

FITBURN BODY BOOSTER SPRAY

FitBurn

Triple Power Boosting Spray • Slims, Tightens & Fights Cellulite
Assists in Body Detoxification

For Use with FitBurn boxes, Infrared body wraps, Infrared workouts, Infrared Saunas, Infrared pods and cocoons.

FEATURES:

- Amplifies FitBurn Results
- Full Body Detoxifiers
- FlavoSlim Technology
- Prevents Fat Formation
- Cellulite Fighter and Skin Perfectors
- Skin Softening Agents
- Power Tea Tonic Fragrance

BENEFITS:

- Flavoslim is able to activate fat metabolism, reducing fat cell accumulation.
- Adipoless maintains the figure by preventing the formation of new fat.
- Extreme detoxifying properties for amplified results
- Adiposlim - slimming action with caffeine-like effectiveness. The skin's orange-peel appearance is reduced due to an anti-storage, lipolytic and fat release action.
- Cellulite fighting agents
- Smooth, soft and skin hydrating

KEY SELLING STATEMENT:

This 360-degree application spray will enhance your FitBurn results helping to reduce the appearance of cellulite, while fat appears to just melt away. This advanced formula will also tighten, tone and firm the skin. Our cutting edge boosting spray is power packed with anti-aging and skin detoxifying properties, making it an essential part of your FitBurn routine.
