

Pro-Specs™ Eyewear

SALES FACT SHEET

Line Story

Custom eye protection for the professional tanner.

Inspiration/Rationale

- Introduces eyewear into the California Tan line
- Sturdy design is meant for continued use

Technology

Ergonomic Design

Fits the exact shape of eyes, eliminating tan lines

Removable Nose Piece

Allows users to customize fit and comfort

Removable Adjustable
Clear Elastic Band

Ensures a perfect fit for each user. Doesn't allow eyewear to move or slip - great for stand-up bed users. Easily removed - great for lay down bed users.

Tall Globe Design

Designed with enough space for long lashes

Translucent Lenses

Impact and scratch resistant Polycarbonate lenses for unbeatable clarity and protection

Protective Pouch

Comes with a pouch to store and protect eyewear between use and a soft lens cleaning material to polish away fingerprints
