TANNING SKINCARE

FEATURES:

- Bronzer Free Light Defusing Optimizer
- Electrolyte Cocktail
- Holographic Diamond & Pearl microspheres
- 4K Hydra-perfecting Base
- Green Clay
- Indoor/Outdoor Tattoo & Color Fade Protecting
- Imperfection Blurring
- Opal Essence Fragrance

BENEFITS:

- Revolutionary 4K Blend - Allows for deeper hydration and longer lasting tanning results as well as better penetration of the high end skin care ingredients, while also working to blur imperfections and allow for a crystal clear complexion
- Holographic Luminizer- Utilizes Crushed Diamond powder and Dimension creating Micro-Pearls. This 'Flawless Filter' Creator refracts light and allows for transparent coverage to soften, focus, and illuminate the skin. It minimizes the appearance of fine lines and pores for a more refined, smooth appearance to the skin
- Electrolyte Cocktail – Utilizes Coconut Water, Sodium PCA, Orange, Almond and Banana extracts to improve skins moisture barrier and strength, calm redness, protect against environmental dehydration, and work as a vital component in maintaining hydration levels in the skin
- Green Clay – Works overtime to restore balance by absorbing excess oils that clog pores and lead to acne and imperfections. This revolutionary clay also balances pH levels, making it optimal for use in multiple types of salon equipment
- Willow Bark & Witch Hazel – Target and shirk the appearance of large pores and sagging skin for a tightened and more youthful appearance
- Bakuchiol – Works by increasing cell turnover, thereby stimulating collagen production and diminishing wrinkles, skin laxity, and overall photo damage
- Body Fit™ Technology – Reduces the appearance of cellulite and restores firmness.
- FreshTek™ – Proprietary blend of deodorizing and skin freshening ingredients.
- Advanced Matrixyl Synthe 6 – Powerful anti-aging peptide that reduces the appearance of fine lines and wrinkles for long lasting results.

KEY SELLING STATEMENT:

Opalescent's hyper-reflective, dimension-creating, skin luminizer is formulated for the most discerning client that demands a get-noticed-glow! Our revolutionary 4K blend will soften, focus and illuminate to transform fine lines, wrinkles and pores for a more tightened and smooth appearance. The reflective radiance of our light defusing micro pearls work to refract light while creating powdery soft transparent coverage to filter out skins imperfections for a more refined appearance to the skin. This holographic Electrolyte Blend is rich in antioxidants and powerful humectants which are vital to quench the skin and maintain ample hydration levels, improve the skins barrier strength and help to protect against daily environmental dehydration. If you are ready to light up your complexion with skin as flawless as your favorite filter... we know you will obsess over opalescent
