

ETERNAL YOUTH™

RED LIGHT

Combine the best of both worlds- youthful, healthy looking skin, and an absolutely radiant bronze glow. Eternal Youth's "age-defy" complex fuses elevated red light therapy technology with advanced natural tanning ingredients for remarkably youthful-looking skin with a color worthy of envy. Red light or tanning, you're ready.

- A potent blend of Peptides, Hyaluronic Acid, and Collagen condition skin, reducing the appearance of fine lines & wrinkles for an exceptionally youthful appearance
- Green Tea & Aloe Vera extracts infuse skin with vital antioxidants and essential hydration for a healthy-looking glow
- We love clean beauty and so should you! It's skin care with a conscience
