

# Beach Black Rum

**Double Shot 400X Bronzer  
Dark Reserve™ Peptide Infusion  
Coconut Water Base**

Pass the rum! Are you ready to escape to pristine beaches, warm sun, and a jaw-droppingly beautiful tan? Then prepare yourself for pure tanning intoxication with a double-shot of 400X bronzing rum and never-ending waves of deep skin-nourishing bliss.

Paradise rarely comes cheaply so we've spared no expense: A coconut water base, potent peptides, and algae extract will ensure this is the best your tan will ever look & feel.

- **Coconut Water Base** conditions your skin for a superb tan
- **(DHA-free) 400X Bronzing** provides your tan with intense yet perfect color
- **Dark Reserve™ Peptides** indulge skin with remarkable depth & radiance
  - **Organic Algae & Black Charcoal** nourish and beautify your bronze
  - **Max Silicones** formula for incredible softness
- **Clean Beauty: Vegan, Gluten-free, Paraben-free, Cruelty-free, Phthalate-free**

*Fragrance: Bahama Breeze*
