PRODUCT STORY

The Australian Gold® Botanical SPF 50 Tinted Face Mineral Lotion is more than just powerful sun protection – it’s gentle care for your skin. This non-chemical sunscreen lotion delivers a refreshingly luxurious, powdery-clean feel, while the subtle tint seamlessly blends into different skin tones. Specially designed for sensitive facial skin, this BB cream won’t clog pores and is fragrance free. Rich in vitamins and antioxidants from botanical ingredients, it allows you to enjoy the sun protected from both UVA and UVB rays, and water resistant for up to 80 minutes.

BENEFITS

100% Mineral Sunscreen: Titanium Dioxide and Zinc Oxide provide a non-chemical sun protection option, with a powder-like matte finish that’s never greasy

Subtle Tint: Seamlessly blends into different skin tones, and helps provide an improved complexion appearance by minimizing uneven color, fine lines and wrinkles

BB Cream: This Oil Free lotion is mattifying and provides light coverage that can double as foundation

Australian Botanicals: Eucalyptus and Red Algae form a unique combination of antioxidant rich botanicals

Eco Conscious Formulation: Designed to be Non-Nano, Oxybenzone Free, Alcohol Free, Dye Free, Oil Free, Phthalate Free, PABA Free, Petrolatum Free, Sulfate Free, and Gluten Free. No added Parabens. Hypoallergenic. Broad Spectrum. Water Resistant (80 minutes). Hypoallergenic. Dermatologist and Pediatrician Tested. Vegan, Cruelty Free, and never tested on animals.

Fragrance Free
