PRODUCT STORY—Iconic Collection

Take a risk and defy the tanning odds. This Bold Bronzer blends DHA and Natural Bronzers for immediate and delayed results, while DermaDark® delivers a boost of daring color. Radiate confidence as Tattoo Protector Technology fuses Sesame Seed Oil and Eucalyptus for fiercely vibrant ink. Courageous Conditioners nourish the skin, leaving you with a gallant glow. Dark color doesn't come to those who wait, so pave the way and be Fearlessly Bronze™!

COLOR TECHNOLOGY

25X Brazenly Bold Bronzer: This daring blend of DHA and Natural Bronzers help to provide outstanding immediate and delayed color results. DermaDark® helps to stimulate melanin production to provide a boost of beautiful color while Caramel leaves skin with an instant golden glow.

SKINCARE TECHNOLOGY

Tropical Fruit Fusion: A dynamic duo of Pineapple and Starfruit rich in vitamins, minerals and antioxidants. Pineapple helps to promote skin elasticity, moisturize the skin and promote smooth, toned skin. Starfruit is a rich source of antioxidants such as Vitamin C, Beta-Carotene, and Gallic Acid.

Valiant Vitamins: Combination of Vitamins A, B5, C and E help to moisturize and protect the skin, leaving it softer and more radiant.

Tattoo Protector Technology: Helps keep tattoos vibrant and hydrated with a blend of Sesame Seed Oil and Eucalyptus, which is known to help prevent oxidative damage.

Courageous Conditioners: A blend of Dimethicone, Glycerin, Aloe, and Shea Butter. These conditioning agents work to support, nourish and improve skin health.

Enticing Hemp Seed Oil: Conditions and moisturizes for a radiant, youthful glow.

Tea Tree Oil: A pure essential oil, known to have natural odor fighting properties, which help prevent after tan odor from developing.

AVAILABLE SIZES

8.5oz Bottle | .5oz Packette
