PRODUCT STORY—*Outback Collection*

Life is better spent near the ocean and sand! This Tropical Infused Intensifier produces dark results while also prolonging color for your best beach bum glow. Australian Brightening complex and Radiant Beachy Blend is just what your skin needs for a day under the sun, while Australian Tea Tree Oil provides refreshed skin to help prevent after-tan odors. Sit back and relax, it's just you and...Sandy Beaches™!

COLOR TECHNOLOGY

Tropical Infused Intensifier: Banana Extract contains dopamine, a precursor to melanin production while Tyrosine helps simulate melanocytes to induce a darker complexion. Glycerin provides moisturization for an ideal tanning canvas.

SKINCARE TECHNOLOGY

Australian Brightening Complex: Eucalyptus Water is known to possess soothing and calming properties that can help strengthen and protect skin health by fighting against environmental stressors. Oranges contain nutrients such as Potassium, Calcium and Vitamin A for brightened skin.

Radiant Beachy Blend: Vitamins B5 and C can neutralize free radicals for a youthful complexion and brings out the skin's natural radiance.

After-Tan Odor Defense: Australian Tea Tree Oil helps prevent after-tan odor from developing, ensuring a refreshed after-feel.

AVAILABLE SIZES

8.5oz Tube | .5oz Packette

ADDITIONAL INFORMATION

This Orange Sorbet fragrance is perfect for all those nostalgic sandy days at the beach.
