

Colour Toning Drops

What does it do for my curls?

- Enriched with deep indigo hues these drops will banish brassiness and bring back the vibrance of your colour
- Bespoke the dosage to create your ultimate in-depth tone
- Best for all hair types, blondes, silvers, balayage or dyed brunette
- 98.7 % naturally derived & vegan

How to use

1. Unscrew the lid and press the white button on the bottom to dispense
2. For general maintenance use 2-3 drops into your cleanser and/or conditioner
3. For leave-in conditioner and styling gel/cream add 1-2 drops
4. For a deeper acting treatment, add 3-4 drops into your product and leave it in for 5 minutes before washing out

Key Ingredients

- Blue Spirulina
- Bioactive complex derived from three Australian coastal flowers Red Spider Flower, Banksia, Kangaroo Paw

Works well with

Curl Cleanser, Hydrating Hair Cleanser, Curl Conditioner, Curl Cream, Curl Defining Gel, Super Hold Styler and Intensive Moisture Treatment
