

Curl Conditioner

What does it do for my curls?

- Strengthens and protects hair from environmental stressors.
- Our unique formulation penetrates deep into the hair cuticle, replenishing much-needed moisture without weighing down curls
- Recently upgraded to boost its detangling powers while still keeping its hydrating lightweight formula
- Brings softness and shine to dull dry curls.
- Perfect for all curls
- 97% naturally derived

How to use

1. After cleansing, apply generously to soaking wet hair.
2. Comb through with fingers.
3. Adding more water as you apply your Curl Conditioner will help hydrate and move the product through the hair making detangling easier
