

Curl Cream

What does it do for my curls?

- Ultra-nourishing leave-in soft hold cream offers moisture and humidity protection
- Softens and defines all curl types
- Perfect for medium to thick curls, or very dry hair
- 96% naturally derived & vegan

How to use

1. Can be used on both wet and dry hair
2. On wet hair and fine textures, start with a pea-sized amount and build slowly as needed
3. On medium and thick textures use ½-1 pump per section
4. Rake Curl Cream through curls using fingers, ensuring even distribution
5. For an extra moisture boost after wash day, take a 5p sized amount with a little water, loosen in your hand and either squeeze into hair or spot treat individual curls.

Key Ingredients

- Organic Shea Butter
- Kukui Nut Oil
- Coconut Fruit Extract

Works well with

For curls that lose moisture quickly apply on top of your conditioner, add 1 or 2 pumps of Revive 5 hair oil and then follow with Curl Defining Gel.
