

Seal & Shield Curl Defining Gel

What does it do for my curls?

- A glycerine-free strong hold gel that glides through curls, coils and waves, providing long-lasting hold and definition.
- This nourishing formula is infused with a plant-based sugar complex that creates glossy and defined curls.
- Suitable for waves, curls, and coils
- Glycerine-free, coconut oil-free, vegan

How to use

1. Rake through soaking wet hair with fingers
2. Apply section by section for even distribution. Style.
3. The gel will dry firm and create a cast. Once fully dry scrunch to release soft bouncy curls or for added protection leave the cast intact and allow it to gently release throughout the day.

Key Ingredients

- Babassu Oil
- Sugar complex from vegetable and marine sources
