

Super Volumising Foam

What does it do for my curls?

- Turn up the volume with our naturally powerful volumising foam.
- Achieve day 3 volume on wash day. Perfect for amplifying fullness, definition and hold.
- Suitable for all types of curls, and ideal for loose waves and curls or fine hair that tends to fall flat
- 94% naturally derived. Not vegan.

How to use

1. Shake well before use.
2. Start with 1-2 pumps into your palm and gently squeeze into wet curls.
3. Ensure even distribution. Apply more as needed. Air dry or diffuse.
4. For thirsty hair apply our Curl Cream and then follow with the foam
5. Apply your styling gel of choice and finish with a few pumps of oil

Key Ingredients

- Hydrolyzed Hyaluronic acid
- Cucumber Extract
- Linseed and Chia seed extract
- Hydrolyzed Vegetable Protein

Works well with

Can be layered with our Curl Cream for added moisture and Super Hold Styler for optimum curl control
