LINE STORY

Experience The Sexy Side of Sunless® with the Color Rich Collection. Develop flawless color with high-end ingredients for a gorgeous tan and flawless skin!

COLOR TECHNOLOGY

DHA & Erythrulose: A unique combination of Eco-Cert approved DHA and Erythrulose that allows for a deeper, longer-lasting tan.

Color Perfecting Complex®: A blend of seven natural colorants that enhances and darkens skin's organic color and helps conceal imperfections. Contains a powerful mixture of antioxidants that works to boost skin's youthful appearance and pairs with DHA and other natural ingredients to maximize sunless color.

Color Match Blend: Is invisible upon application but develops unique, long-term color over time.

SKINCARE TECHNOLOGY

Organic Botanical Blend: Contains a combination of nutrient-rich organic ingredients that help skin look and feel healthy. Organic Spinach packs high amounts of Vitamin A, Vitamin C, Vitamin K, Potassium, Magnesium, Iron, and Calcium. Organic Cranberry contains a particularly large quantity of antioxidants to help combat free radicals. Organic Blueberry provides one of the highest nutrient and vitamin contents among all berries.

Organic Aloe: Contains more than 200 biologically active amino acids, vitamins, antioxidants, minerals, enzymes, and sterols. It also has soothing and moisturizing properties.

Triple Moisture Sensation: An optimized blend of penetration enhancing ingredients that moisturizes skin without leaving a sticky or greasy after-feel.

Witch Hazel: Refines and tones, leaving skin feeling fresh and rejuvenated.

AVAILABLE SIZES

Vented Gallon

SHOWER TIME

Rinse with warm water in 1 hour for dark color, 2 hours for darker color, and 3-4 hours for darkest color.
