## LINE STORY— California Tan® Resto[red]® Collection

Resto[red]®is a collection of red-light treatment products that can be tailored to the daily skincare needs of anyone looking to improve their skin's appearance and protect it from future damage.

#### **SKINCARE TECHNOLOGY**

**Pu[red]®Technology:** Helps prevent premature aging and protects the skin by allowing only the purest red light to penetrate the skin.

**Certified Aloe Vera:** Provides potent moisturization benefits.

Argireline Peptide: Helps reduce the appearance of fine lines and wrinkles.

Vitamin C: Known to help increase collagen production and helps boost luminosity.

Argan Oil: Provides younger-looking and radiant skin.

**Pro-Vitamin B5:** Helps prevent moisture loss.

**CT-Protect™:** Helps preserve skin's youthful appearance with moisturization and free radical protection.

**ATO Inhibiting Ingredients:** Formulated to combat ATO.
