LINE STORY— *California Tan® Resto[red]® Collection*

Resto[red]® is a collection of red-light treatment products that can be tailored to the daily skincare needs of anyone looking to improve their skin's appearance and protect it from future damage.

SKINCARE TECHNOLOGY

Pu[red]®Technology: Helps prevent premature aging and protects the skin by allowing only the purest red light to penetrate the skin.

Certified Aloe Vera: Provides potent moisturization benefits.

Argireline Peptide: Helps reduce the appearance of fine lines and wrinkles.

Renovage™ Age Reversing Technology: Helps rebalance skin functions.

Vitamin C: Known to help increase collagen production and helps boost luminosity.

Argan Oil: Provides younger-looking and radiant skin.

Shea Butter & Vitamin E: Helps protect, moisturize, and smooth skin.

Hyaluronic Acid: Delivers high levels of hydration while maintaining skin's natural balance.

CT-Protect™: Helps preserve skin's youthful appearance with moisturization and free radical protection.

ATO Inhibiting Ingredients: Formulated to combat ATO.
