

Spray Tanning Eye Protection Step 1

California Tan Sunless®

Line Story

Experience revolutionized sunless skincare and Color Technology™ only a trusted color expert can provide. Specially formulated to deliver professional, flawless results; leaving you in a state of golden perfection.

Product Story

- Disposable single use eye protection for sunless spray tanning
- Supports FDA recommendations for sunless tanning
- Transparent for full visibility
- Easy to use - fold into cone
- Deeper cone for longer lashes
- Adheres with a light medical grade adhesive

Directions

- Carefully removed sunless CLEAR® from paper backing
- Overlap right top portion to fold line on left top portion to create a cone
- With overlap at top, lace the cone next to the bridge of the nose, and cover eye, tap gently to secure
- To remove, peel off slowly and discard
