PRODUCT STORY—*Iconic Collection*

Being fearless leads to darker color with **Daringly Dark™**! This Ultra-Powerful Dark Intensifier delivers golden results, while ensuring a supple, smooth tanning canvas. Skin Soothing Blend hydrates and calms for a luminous glow. Enticing Hemp Seed Oil conditions and moisturizes for a radiant complexion, while Vitamin Elixir infuses skin with nourishing antioxidant powers for a more youthful skin appearance. Flawless, natural results have never been easier!

COLOR TECHNOLOGY

Ultra-Powerful Dark Intensifier: Designed with a combination of Tyrosine and Glycerin to help stimulate melanocyte activity for melanin production for even color development while promoting moisture balance for silky soft skin.

SKINCARE TECHNOLOGY

Skin Soothing Blend: Comforting combination of Aloe Vera, Shea Butter and Blue Passionflower help nourish and moisturize for a smooth, hydrated complexion.

Caffeine: Known to rejuvenate and energize the skin for an overall more toned appearance.

Enticing Hemp Seed Oil: Conditions and moisturizes for a radiant, youthful glow.

Vitamin Elixir: Combination of Vitamins A, B5 and E help soothe and provide powerful antioxidant power to help fight free radicals for supple, luminous skin.

Craveable Conditioners: Lush blend of Coconut, Sunflower and Olive Oils for deep moisturization and a smooth tanning canvas.

Tea Tree Oil: A pure essential oil, known to have natural odor fighting properties, which help prevent after tan odor from developing.
