COLOR TECHNOLOGY

16X Dazzling Splendor Bronzer: Perfectly blended combination of deluxe bronzing ingredients delivers instant results and darker, developed color

- **Defiance™ Tanning Complex:** Deluxe formulation is upgraded and enhanced with additional bronzing ingredients including Black Walnut, Copper, and a Melanin Activating Peptide is combined with Banana, Caramel, DHA, and Erythrulose to ensure amazing immediate and delayed color results, while also helping to break tanning plateaus

SKINCARE TECHNOLOGY

Ultra-Refined Gold: Gold Extract helps diffract and diffuse light, letting skin shine while blurring imperfections and accentuating color

Rose Gold Radiance: Rose Extract and Glycerin help attract and hold moisture to the skin for hydration and longer-lasting color results

Gold of Pleasure Oil: Known for high levels of Omega-3 Fatty Acid and Vitamin E, this nutrient-rich oil works to help enrich skin for a healthier looking appearance

Hyaluronic Acid: Has been known to help increase skin elasticity and decrease the appearance of fine lines and wrinkles for a smoother complexion

Collagen: Helps tone skin while also providing excellent antioxidant properties to reveal a more youthful looking skin

Caffeine: Energizes the skin for a more toned and smooth appearance
