Charming Color Complex: A blend of Natural Bronzers including Caramel and Annatto that provide instant color to the skin. Black Walnut Extract works as a bronzing activator that helps to stimulate melanin production and amplify results for darker results.

SKINCARE TECHNOLOGY

Radiant Blush Blend: Gives skin a rosy, dazzling look while energizing skin for optimal color results. Antioxidants in this blend hydrate and soften the skin while protecting it from environmental stressors and free radicals.

Diamond Luster: Capture everyone's attention with a hint of Opalescence that glides over the skin for a beautiful glow.

Entice Me: Uses Vitamin C, Caffeine, and Witch Hazel to help tone skin and increase collagen synthesis. This blend also contains Flavonoids that have excellent antioxidant properties to combat the side effects of environmental stressors.
