### PRODUCT STORY

Let disco ignite your soul and reveal the dancing Queen or King you are! As you party the night away, show off your stellar color with Bronzed Beauty Blend, a combination of Natural Bronzers and DHA. Invigorating Skincare Complex contains Sodium PCA and a Ceramide for suppleness that will leave a lasting impression. Outshine the disco ball with a radiant and luminous complexion from Glow Off that contains Niacinamide, a skin-loving ingredient. Age Rebellion utilizes Collagen to fight the signs of aging so you can always flaunt a youthful look. Bring the energy, let loose and get down with Designer Skin Fever<sup>™</sup>!

### COLOR TECHNOLOGY

**85X Bronzed Beauty Blend:** Potent combination of cool-toned instant bronzers delivers intense color immediately upon application while DHA continues to develop and darken.

### SKINCARE TECHNOLOGY

**Invigorating Skincare Complex:** Provides a Ceramide to the skin to help prevent aging, improve skin barrier function, boost skin hydration and increase skin smoothness. Sodium PCA is a valuable humectant that draws new moisture to the skin while retaining hydration for a supple, healthy appearance.

**Age Rebellion:** A mixture of amino acids and a Collagen stimulating peptide that work in unison to help fight the signs of aging.

**Glow Off:** Niacinamide, a skin-loving vitamin, is known to improve dull, uneven skin tone to help boost brightness while enhancing skin radiance and luminosity.

**Pure Luxury Silicone Blend:** A mixture of the most luxurious silicones, blended to perfection that glide on the skin effortlessly for a lush experience. This also helps to spread the high levels of instant bronzers for an even, flawless tan.

**ATO Inhibitor:** Deodorizing agents and delicious fragrance notes keep skin smelling fresh.
