- Plays on the trend of highlighting in the beauty industry and allows users to customize their glow by using their preferred amount for the perfect highlight just for them

Product Type

- Liquid Illuminating Drops
- Designer Glow Complex + Illuminating Retouch Technology
- Satin Base Blend
- No Added Fragrance

Technology

- Designer Glow Complex features a concentrated blend of pigments to highlight skin with golden and opalescent hues for a gorgeous, radiant complexion
- Illuminating Retouch Technology helps to keep skin looking photo-ready as the light bending properties of the immediate sheen work to define and highlight your best features
- Satin Base Blend allows the drops to be used alone or mixed with your favorite lotion for a buildable highlight with a silky and dry to the touch feel
- Shake well before use. For an all over dewy glow, dispense a quarter size amount of any lotion into the palm of your hand. Add drops and mix with your fingers. Apply to face and any other parts of your body. For an instant highlighting effect, use alone and apply with hands or favorite beauty tool. Use a few drops for a subtle glow, or more drops for a stronger strobing effect.
