PRODUCT STORY

They say money can't buy happiness, but it can buy you a rich tan. This Quadruple Bronzing formula glides on the skin effortlessly and provides extravagant color for any Grand Affair[™]. The combination of instant bronzers provides warm undertones that compliment all skin types for a look of luxury, while DHA gradually develops. Wrap yourself in Rich Glow, a fabulous blend of Avocado Oil and probiotic for moisturization and a balanced skin microbiome. Cash in and get ready for the Grand Affair[™]

COLOR TECHNOLOGY

Four Grand Bronzing Blend: A luxe combination of instant and delayed bronzers, including DHA, Erythrulose and Caramel imparts a rich color you deserve. Specially designed to develop at different rates, you get continuous color development for a longer-lasting tan.

SKINCARE TECHNOLOGY

Rich Glow: Avocado is a great source of fatty acids and known to contain a high concentration of Vitamins A, D and E which leads to excellent moisturization and skin smoothing. The probiotic in this blend helps balance skin microbiome leading to overall healthier skin.

Affluent Finish: Silicone blend leaves skin feeling moisturized and silky smooth for a lavish look.

ATO Defense: Decreases after-tan odors and keeps skin smelling fresh.

AVAILABLE SIZES

13.5oz Bottle | .5oz Packette

ADDITIONAL INFORMATION

This lotion is a great entry-level option for those looking for microbiome support.
