PRODUCT STORY— *Designer Skin® Bath | Body | Face*

Ready, Set, ICON! Specially formulated to deliver dark color while working to provide firmer looking skin, this Crème Bronzer will have your look perfected in an instant. Whether rocking the runway or posing for a selfie – you'll be ready for the bright lights in no time! Oil Free. Fragrance Free. Non-Comedogenic.

COLOR TECHNOLOGY

Dark Crème Face Bronzer: Utilizes DHA and Caramel for an immediate bronzing impact and gradual color development.

SKINCARE TECHNOLOGY

Lavish 3D Finish™: Uses a blend of Vitamins and Collagen stimulating Peptides to help provide younger, firmer looking skin.

Hyaluronic Acid: Works to promote collagen production and cellular repair to help increase skin elasticity and decrease the appearance of fine lines.

Odor Inhibiting Complex: Deodorizing agents keep skin smelling fresh and clean.

AVAILABLE SIZES

3.4 oz. Bottle

ADDITIONAL INFORMATION

Offers Hyaluronic Acid and collagen stimulating ingredients, found in high-end anti-aging cosmetics and beauty products.
