### PRODUCT STORY— *Designer Skin® X Collection*

Well behaved babes rarely get noticed... It's time to be a risk taker and rule breaker! Set the new standard for bronze perfection with a look everyone will obsess over. Level up with Designer Skin's 70X Color Frenzy Fusion and High Key Bronzing Blend to ensure unmatched, drastic color. Prepare for a seriously extra glow with the Real Reflection Complex and Microbiome Balancer for a fierce, perfected finish. Up your glam game and aim to misbehave. After all, if you follow all the rules, you'll miss all the fun.

### COLOR TECHNOLOGY

**Candid 70X Color Frenzy Fusion:** Designer Skin's darkest combination of bronzing ingredients, with High Key Bronzing Blend for unparalleled instant color that will continue to develop hours after tanning.

### SKINCARE TECHNOLOGY

**Real Reflection Complex:** Provides skin with a subtle radiance for perfect dimension and a luminous glow.

**Microbiome Balancer:** Works to improve skin's microbiome harmony for more radiant and healthy-looking skin.

**Precision Perfecting Silicone:** Glides onto skin with a luxurious velvet feel as it helps to promote even application, while providing an optical blurring effect for a gorgeous, flawless finish.

**ATO Inhibiting Ingredients:** Deodorizing agents and Strawberry Pear Daiquiri fragrance combine to keep after tan odors at bay and your skin smelling fresh.
