PRODUCT STORY— *Designer Skin® Mystical™ Collection*

Greatness needs more than a dream; it takes a vision. Capture the light and reach beyond every expectation with Designer Skin Visionary. Let this golden tanning blend of Tyrosine and a potent Peptide take you to the next level of bronze Nirvana. Evoke exceptional beauty as the Ethereal Moisture Veil swathes the skin with the appearance of immortality. Wrapped in a velvety cloak of our exclusive Mega Magical Silicone, it's time to seek the glow you deserve.

COLOR TECHNOLOGY

Miraculously Dark Tanning Intensifier: Combines Tyrosine with a powerful bronzing Peptide to promote a natural glow and uniform color.

SKINCARE TECHNOLOGY

Ethereal Moisture Veil: Drenches the skin in a layer of hydration that feels exceptionally lightweight and luxurious as it works to defend against free radicals.

Mega Magical Silicone Emulsion: Effortlessly blurs fine lines and promotes prolonged color, as it melts into your skin to enrich the beauty of your tan.

ATO Inhibiting Ingredients: Deodorizing agents and White Sands fragrance combine to transport you to an exotic, sun-kissed fantasy.

AVAILABLE SIZES
