Embrace a new dark shade as your tanning plateau is shattered for untamable results. Prepare for envious stares as the Luxe Light Complex[™] takes your color to the next, premium level. Rumors will always spread – so get a flawless look they can't deny and don't leave your Reputation to chance!

COLOR TECHNOLOGY

19X Plateau Breaking Bronzer: Expertly designed for experienced tanners with an enhanced level of DHA to breakthrough your tanning plateau to a new level of dark, superior color.

Luxe Light Complex[™]: Works to optimize your UV experience by promoting light to travel seamlessly to skin, while fortifying with minerals and amino acids for optimal melanin production and stunning results.

SKINCARE TECHNOLOGY

Youth Refine Silicone Blend: Combines a fusion of silicones that glide over skin, working to provide a smooth, retouched look.

Black Currant Oil: Infused with moisturizing factors to help ensure skin is quenched with long lasting hydration for supple skin and prolonged color.
