PRODUCT STORY— *Designer Skin[®] Miracle™ Collection*

Keep your squats low and your standards high! Stop the hustle for those hard-to-tan areas and knock them dead with smooth, sexy legs. The dark glow of Stunner[®] has remained the same, but with an all-new look for this favorite DHA Leg Bronzer! Complete with Caffeine to help tighten and Shave Minimizers that work to slow down hair growth, your legs will be ready whether you're killing it in the gym or working it poolside. It's time to set your bronzing goals, and crush 'em... leg day has never been easier!

COLOR TECHNOLOGY

Dark Leg Bronzer: Black Walnut, Henna, and DHA allow for short- and long-term color, for perfect, rich results that will last.

SKINCARE TECHNOLOGY

Caffeine: Helps to promote a firm and radiant appearance to the skin.

Shave Minimizers: Beeswax and other emollients work together to slow hair growth and help achieve a cleaner, closer shave.

Silicone: Helps lock in moisture, leaving a velvety smooth after-feel.

Odor Inhibiting Complex: Deodorizing agents keep skin smelling fresh and clean.
