### COLOR TECHNOLOGY

**Color Swirl Quadruple Bronzing Complex:** Combines DHA and Caramel to help achieve immediate and delayed color, while a mix of red and blue hues balance results for a brilliant bronze.

### SKINCARE TECHNOLOGY

**Sugar Baked Blend:** Contains heat-activated sugars to lock in hydration to enhance tanning results and promote nourished, youthful looking skin.

**Silicone:** Helps to moisturize, leaving skin soft and smooth, never greasy.

**ATO Inhibiting:** Deodorizing agents and fragrance notes combine to keep skin smelling fresh and clean.
