PRODUCT STORY

Empower yourself and fight for the tan you deserve! This dark tanning intensifier helps to build the perfect base tan for superior color that is unmatched. Shield your skin from environmental stressors with the help of Meadowfoam Seed Oil and don't let the battlefield of everyday life tear your skin down. Thyme-less Elixir keeps your skin strong by preventing the breakdown of elastins and assists in collagen production. Radiate Valor and prove you're destined for greatness... it all starts with a tan.

COLOR TECHNOLOGY

Honorable Dark Tanning Intensifier: Build the perfect base tan with Algin and Magnesium, they are specially selected to help boost melanin synthesis.

SKINCARE TECHNOLOGY

Tattoo Protection: Designed to help protect all tattoos with botanical extracts to prevent fading. Licorice and Green Tea Extract were specially selected for their antioxidant and photo-protective properties.

Meadowfoam Seed Oil: This unique plant oil has a rich texture and assists in restoring and promoting skin health. It helps to form a skin barrier to retain moisture while leaving a non-greasy feel.

Thyme-less Elixir: Combines Thyme Leaf Water and Oil, Bark Extract, and Green Tea Extract to prevent the breakdown of elastin and assist in collagen production for a more youthful-looking appearance.

Sleek Silicone: Avoid rough skin with this silicone formula that promotes hydrated and soft skin.

ATO Inhibitor: Protect yourself from ATO with the help of Cedarwood and Cypress.
