KEY SELLING STATEMENT

Collagenetics™ is a miracle break-through, total face and body skin care system. COLLAGENETICS 2-IN-1 LOTION™ is the newest product to this innovative regime. The 2-in-1 has been formulated for those tanners who have chosen to utilize both the red light therapy and tanning in the same day. With one product you can do it all. Apply the lotion to your entire body following exfoliation and prior to Red Light Therapy and then go straight into the tanning bed! Your skin will be prepped for your red light session and then ready to get fast, dark tanning results without the need to apply a separate product. All of these formulas have been scientifically designed to work in conjunction with each other to help erase the appearance of aging and take your skin back to its youthful look. Ideal to use as the foundation of your daily skin care regime, they have also been formulated to work with Red Light Therapy for optimum results to reduce the appearance of fine lines, wrinkles, and signs of aging.
