### **KEY SELLING STATEMENT**

Collagenetics™ is a miracle break-through, total face and body skin care system. COLLAGENETICS POST-THERAPY LOTION™ is step three of this new innovative regime. Apply the concentrated serum on the areas of your face and body where you wish to target the most following Red Light Therapy and/or the application of Steps 1 and 2. All of these formulas have been scientifically designed to work in conjunction with each other to help erase the appearance of aging and take your skin back to its youthful look. Ideal to use as the foundation of your daily skin care regime, they have also been formulated to work with Red Light Therapy for optimum results. Together, they are designed to reduce the appearance of fine lines, wrinkles, and aging. The POST-THERAPY SYRINGE is specifically designed to target areas with the highest concentration and most advanced anti-aging ingredients and technologies. Natural fruit extracts such as Goji, Acai, Pomegranate and Kiwi are blended with Vitamins A, C and E to reverse the appearance of aging.
