BENEFITS:

- Airbrush Luminizing Leg Tint & Tanner – This revolutionary leg tan enhancer is formulated to tan, tone and tighten the legs while also providing a tinted, airbrush filtered luminous glow.
- BB Crème Formula – Will hydrate the skin and mask imperfections while leaving an airbrushed, flawless result.
- Mel[O]stem™ - The first new plant derived active ingredient that has been clinically found to improve the skin's complexion and signs of aging by targeting sun spots of the skin for a better color balance.
- Flavoslim™ - Counteracts the signs of cellulite by improving skin elasticity, while also tightening & toning.
- Caffeine & Guarana Extract – Helps to tighten and tone the appearance of skin while protecting from environmental aggressors.
- Hair Re-Growth Inhibitors – Slows down the rate of hair growth reducing your need to shave as often keeping legs soft and smooth.
- Forslean™ – A plant derived compound that helps to break down fat deposits.
- Vegan Collagen – Helps to strengthen and condition the skin to visibly improve texture and suppleness while also helping to restore skin's natural bounce and resilience, diminishing the look of fine lines and wrinkles.
- Electric Daisy – Allows for a tightening and contouring effect to the skin while also helping to increase skins elasticity.

KEY SELLING STATEMENT:

This powerfully advanced leg tint is enriched with camouflaging airbrush coloring agents to help mask the appearance of skins imperfections and uneven textures. Famously formulated with powerful peptides and skin loving additives, Color Contour™ will visibly firm while reducing the appearance of skin dimpling and loss of firmness to support a more contoured and defined silhouette. To appear more tanned, toned and tightened, get glowing to complete confidence with Color Contour™!
