Maximum Moisturization

FEATURES:

- Amplifies Fitness Results
- Full body Detoxifiers
- Cryo-Slimming Cooling Sensation
- Intenslim™ Fat Burners
- ISO-Slim™ Technology
- AHA Exfoliation Alternative
- May Help Prevents fat formation
- Cellulite Fighter and Contouring Agents
- Improves Skins Hydration
- Antioxidants, Vitamins & Nutrients
- Fresh & Clean Fragrance

BENEFITS:

- Intenslim™ - Works as a natural fat burner while also strengthening the elastin in the skin.
- Cryo-Slimming Frescolat™ - Helps to cool and refresh the skin without the use of menthol.
- Keratoline™ - An AHA alternative, Keratoline gently exfoliates to reveal youthful, and toned skin.
- Carnitine – An oil absorbing amino acid that assists in decreasing oil production as well as helps to assist in breaking down fat accumulation
- Aquaxyl™ - Helps to quench extreme skin dehydration allowing for a softer and more hydrated appearance.
- ISO-Slim™ - Works as a slimming and anti-cellulite agent while also assisting in the breakdown of fat cells.
- Green Tea Extracts – Rich in antioxidants to help ward off free radical damage.
- Grape Seed Extracts – Helps to boost collagen production and works to even out skins tone and texture.
- Vitamins A & C – Power packs the skin with natural vitamins and nutrients for a more perfected appearance of the skin.

KEY SELLING STATEMENT:

Power packed with 12 essential functions to hydrated and perfect. FitBurn FB 12 Utilizes research driven Intenslim™ which works as a natural fat burner to appear to Firm, Tone, Tighten & Lift the skin. Natural cooling agents act like a cool treatment. Added ingredients that appear to Detoxify, Reduce, Fit & Burn. Remarkable Karatoline™ provides gentle exfoliation to Contour, Sculpt, Shape & Smooth the look of the skin. Formulated for those who seek Fast, Instant and Toned Results!
