SKINCARE TECHNOLOGY

Cannabidiol: Contains 250mg of CBD Isolate.

Pure Hemp Seed Oil: Contains the optimal balance of Omega 3 and Omega 6 Essential Fatty Acids (EFAs) for helping to protect and strengthen the skin resulting in skin that is toned, conditioned and moisturized.

Organic Extra Virgin Coconut Oil: Known to act as an effective skin moisturizer that helps to alleviate dry skin conditions while improving overall skin health for a more smooth and supple appearance.

Glycerin: Has excellent conditioning properties that also protect and attract water to the skin, keeping the skin hydrated for a longer period.

Aloe Vera: Skin-conditioning ingredient that has excellent skin restorative and soothing properties.

Safflower Oil: Improves skin's moisture retention, nourishes, and rejuvenates, giving the skin a silky, youthful glow.

*No detectable level in the CBD Isolate
