SKINCARE TECHNOLOGY

Sparkling Citrus & Champagne: Effervescent blend of Orange, Grapefruit and French Wine Extract that are excellent sources of Vitamins (including high level of Vitamin C), vital nutrients and flavonoids that are known to have antioxidant properties that help protect skin from environmental stressors, while helping to maintain skin health to support more vibrant looking skin.

Glycerin: A water binding agent that helps protect and seal moisture to the skin for longer-lasting color and hydration.

Pure Hemp Seed Oil: Provides supreme hydration with a highly evolved balance of essential fatty and amino acids that restores softness.

Gentle Cleansing Formula: Specially formulated with mild cleansers and no added sulfates to gently cleanse the skin, while helping maintain moisture and prevent drying.
