Black Sandz Exceptionally Unique Black Bronzer

Product Story:

Become part of the breathtaking views with Hempz Black Sandz Exceptionally Unique Black Bronzer. Let the incredible combination of Sea Buckthorn Oil and Charcoal get to work by detoxifying to hide imperfections while helping to promote a more even and smoother complexion. Enriched with 100% Pure Natural Hempz Seed Oil plus Flax Seed Oil which helps to hydrate, condition and moisturize for a luminous glow. This dark bronzing blend features our unique DHA delivery system, natural bronzers and a three-part accelerator complex that helps provide unmistakably long-lasting color.

Features & Benefits:

- Black Bronzers combine DHA and Cosmetic bronzers to enhance skin's over all color while continuing to develop into a deeper, darker bronze tan.
- Three-part Accelerator Complex includes Tyrosine, Melanin and Carob Extract helps enhance the natural tanning process to get the most out of your tanning session.
- Sea Buckthorn Oil and Charcoal help improve overall skin tone and texture.
- 100% Pure Natural Hemp Seed Oil plus Flax Seed Oil hydrates, nourishes and conditions skin.
