

Hempz® & CBD Collection

Facial Tanning Lotion

Product Story:

Hempz & CBD Facial Tanning Lotion is designed to help maintain healthy skin while providing a natural looking, golden complexion. Let the natural restorative and hydrating power of 100% Pure Natural Hemp Seed Oil and 99% Pure CBD Isolate help nourish and condition your bronze delicate skin.

Features & Benefits:

- Dark tanning Intensifiers including Tyrosine help enhance your tan for darker, longer lasting results.
- 99% Pure CBD Isolate to help relieve, soothe and calm skin.
- 93% Naturally derived system with Ecobronze™ Technology that helps stimulate dark tanning for deep, rich results.
- Enriched with 100% Pure Natural Hemp Seed Oil helps to hydrate, nourish and condition skin leaving it feeling exceptionally soft, smooth and moist.
- Non-greasy, lightweight formula absorbs quickly into skin.
- Paraben Free, 100% Vegan, THC Free.
