### PRODUCT STORY

Never take a gamble on your color! This High Roller Ultra Dark Bronzer will give you the dark color you crave, no luck needed. Jackpot Jewel Blend contains extravagant gemstones that help nourish and revitalize, while Skin Barrier Blend protects skin from pollutants. Caffeine helps energize and tone skin for a flawless complexion, as the Intense Moisture Blend provides a silky soft tanning canvas and ensures dark color lasts for days.

“Some things are too important to leave up to chance or luck, and my tan is one of them. With this bronzer, dark color is a Shore Win! Xoxo” *JWOWW – Jenni Farley*

### COLOR TECHNOLOGY

**High Roller Ultra Dark Bronzer:** This special blend of Caramel with red and blue hues provide an instant, dark hue to the skin, while Blue Tansy, Violet and Indigo help counteract orange tones for natural-looking color. The combination of Erythrulose and a high dose of DHA develops streak-free, long-lasting color.

### SKINCARE TECHNOLOGY

**Jackpot Jewel Fusion:** Comprised of Mother of Pearl, Turquoise, Diamond, and Opal, this luxurious blend has nourishing, revitalizing and age-defying effects on the skin.

**Skin Barrier Blend:** A unique combination of deluxe Silicones that help to smooth skin and form a protective layer on skin, which helps to lock in moisture while shielding against environmental aggressors.

**Caffeine:** Contains high antioxidant properties that help to tone, protect, and energize the skin.

**Intense Moisture Blend:** Powerful combination of a humectant and emollients that help draw and seal in moisture to rehydrate skin for a smooth, silky feel and allows color development to last days longer.

### AVAILABLE SIZES

13.5oz Bottle | .5oz Packette

### ADDITIONAL INFORMATION

This is a great bronzer option for all skin tones, as it counteracts orange tones.
