

# PRO TRAVEL BAG

Take your business on the road with the Norvell Pro Travel Bag, the perfect accessory for the on-the-go spray tan artist. This lightweight, yet sturdy rolling bag was designed to provide a solution to meet spray tan artists needs.

The interior provides easy-access portals and storage for hoses, cords and essentials. A built-in shelf on the interior easily stores solution, plus additional necessities. Inside the front flap are multiple pockets for other accessories and disposables. A convenient gun-hook mounts on the telescoping handle for spraying ease.

## Features Include:

- Designed for professional spray tan artists
- Mutiple compartments for organized product and equipment travel
- Easily holds sunless solutions & all sunless essentials
- Secure ventilated area for mobile spray tan unit
- Telescoping handle for mobile ease
- Lightweight and highly durable professional design
- Travel bag easily holds the Norvell M1000 or Z3000
