

# SELFIE® Glow Sunless

- *Color Lust Clear*
- Professional Ultra Dark Spray Tan Solution
- Skin Perfecting Airbrush Results
- Richly Hydrating Clear Transfer Resistant Formula

## Organic DHA

Allows for deep, bronzed, even color that lasts days longer than the competition.

## Ginger Extract

Helps to improve circulation and promote cell renewal, while also increasing collagen production, evening skin tone, and perfecting the skin's overall appearance.

## Green Tea

A potent anti-aging ingredient that combats signs of aging and contains anti-inflammatory properties that reduce redness and skin irritations.

## Willow Bark Extract

Helps to reduce blemishes and excess oil, while working to soothe irritated skin.

## After Tan Odor Eliminators

Helps to block the tell tale "spray tan smell", leaving you smelling clean and fresh.

## Ginseng Extract

Works to energize the skin by making skin look brighter and promoting a more youthful appearance. Also helps to balance oil production, and reduce fine lines and wrinkles.

## Walnut Extract

A natural bronzing agent that offers up healthy Omega-3 fatty acids that strengthen the membranes of your skin cells, while locking in moisture and nutrients that keep the skin plump and glowing.

## Aloe Vera Gel

Works to unclog pores and soften skin, while hydrating, nourishing, and providing anti-aging and anti-inflammatory properties.

## Vitamins E & C

High in moisturizing and healing benefits that help seal in color, so your tan lasts much longer.

Selfie's Color Lust Clear self-tanning solutions is formulated so your skin is always "Selfie Ready"! This skin softening clear developing, transfer resistant formula utilizes skin softening Aloe Vera Gel, oil absorbing Willow Bark Extract, collagen producing Ginger Extracts, and anti-aging Green Tea; providing you with a long-lasting, dark sunless tan as well as envy worthy skin in the process. If what you desire is flawless airbrush self-tanning results, then Selfie's Color Lust solution is your **#NoFilter** needed formula!
