

SELFIE®
Glow Sunless

Instant Face & Body

Instant Face & Body Bronzing Gel
Wash Off Formula

Wash Off Formula

Allows you to achieve flawless color that will wash off at the end of the day

Instant Bronzing beads

Burst upon application to provide flawless results

Fast Absorbing Gel Formula

Allows the product to quickly absorb into the skin prior to your sunless session.

Vitamins E

High in moisturizing and healing benefits that help seal in color, so your tan lasts much longer.

Apple Extracts

High in antioxidants that provides anti-ageing and smoothing benefits

Olive oil extract

Rich in Vitamins A & E to provide anti-inflammatory benefits and prevent moisture loss

Transfer Resistant Formula

Dries quickly so it will not transfer onto your clothes

This easy to apply sunless tanning spray leaves your skin with an Instant golden glow while developing into a deeper, darker tan in just a few hours. Best of all, the tan lasts for up to seven days! 360 degree spraying makes this the perfect choice for that flawless, airbrushed look, while immediate bronzers allow for complete and even coverage during application. Exclusive fresh and clean fragrance technology awakens your senses leaving your skin deliciously fragrant and virtually eliminating the tell-tale self tan aroma.
