Silk Proteins

A deeply hydrating skin moisturizer that prevents moisture from escaping your skin and adding a silky-soft feel to the skin.

Rich Plum Extracts

Helps to reduce fine lines and wrinkles, plump the skin, and improve skin elasticity.

Fast Absorbing Gel Formula

Allows the product to quickly absorb into the skin prior to your sunless session.

pH Balancers

Optimize the skin's pH levels for longer lasting, darker, and a more even sunless tan.

Vegan Collagen

Helps to create a filter-like effect that works to smooth out fine lines and wrinkles, while helping to bind moisture to skin, leaving you with a youthful and skin perfected appearance.

Watermelon Extract

Provides 24-hour hydration, while improving skin tone and deeply improving appearance of fine lines, wrinkles, and dry spots.

Vitamin C

Rich in Antioxidants, Vitamin C makes skin appear smoother and more radiant, while also helping increase Collagen production and even out skin's pigmentation.

Selfie's Perfectionist Prep Gel puts in overtime on your color so you don't have to! This Vitamin Rich, Collagen producing, quick absorbing gel formula allows for your Selfie Sunless Tanner to absorb faster and deeper into skin the skin allowing for darker and longer lasting Selfie sunless results! Added Antioxidants and after tan odor eliminators will ensure your skin is always "Selfie Ready" with flawless dark color and zero "Spray Tan Smell".
