

SELFIE® Glow Sunless

• *Color Blocking Cream*

Sunless Barrier & Blending Cream

*Use to Minimize or Completely Block Sunless Tan Absorption
Conditioning & Hydrating Salon Professional Formula*

Coconut Water

A natural skin balancer that cleanses and hydrates the skin without adding excess oil.

Aloe Leaf Juice

Works to soften the skin, while hydrating, nourishing, and providing anti-aging and anti-inflammatory properties.

Watermelon Extract

Provides 24-hour hydration, while improving the skin tone and deeply improving the appearance of fine lines, wrinkles, and dry spots of the skin.

Color Blockers

Works to shield sensitive areas of the body from over bronzing and discoloration.

Rich Plum Extract

Helps to reduce fine lines and wrinkles, plump the skin, and improve skin elasticity.

Selfie's Color Blocking Cream is enriched with skin conditioners and protectors to ensure flawless application of your Selfie Sunless tan. Working to shield sensitive areas of the body from over bronzing and discoloration, Selfie Sunless Color Blocking Cream will moisturize while it protects and leaves the skin feeling silky soft and smooth. This luxurious formula will condition the skin and produce an ideal blanket of softness to dry, rough areas of the body to ensure beautiful, bronze coverage from your Selfie Sunless session.
